Due to continued rainy weather this week, the church parking lot maintenance has been moved AGAIN. The lot will now be resealed **Thursday, June 17** and cars should stay off of it for 48 hours. We will be closed, as usual, on Friday and Saturday, and you can drive on it again for the June 20 service.

Scholarship Applications

Completed applications for MPC's annual Scholarship Program are due to the office by **July 31**. Please contact the office if you need an application or if you have any questions. Please note that eligibility extends to family of congregation members.

Earth Care

Are you passionate about the natural world? Have you made changes to make your home more energy efficient? Do conservation, sustainability, or environmentalism inspire your work in the world? Is protecting God's creation a big part of you life of faith?

If so--MPC has an opportunity for you! Session has authorized a committee to explore whether we should become an **Earth Care congregation**. We need a few volunteers willing to look into earth care programs, our building's energy efficiency, and whether our congregation is called to do the work of caring for creation. If you are interested, call the office or Gay Piller.

Honoring the Men of MPC

To coincide with Father's Day, the MPC Board of Deacons will, once again, honor the men in our lives by making a contribution to Talbert House's Fatherhood Project. The Fatherhood Project is a program that assists men in their efforts to become responsible, committed and nurturing fathers. A special card can be found in the Gathering Room to be signed by the men of MPC.

Adult CE

Please join us for Adult CE, Sundays 9:00 am - 10:00 am in the Kemper Parlor. Our current topic, "Aspects of Doubt," is being led by Rev. Ben, and continues through Sunday, June 27.

Our mission collection for the month of June will be infant clothing (up to 12 months) for Bethany House Services. You may leave donations in the Gathering Room or donate at www.bethanyhouseservices.org/donate.
